### Your Memorial Gift works two ways

first, in this time of loss you express condolence in a personal way when often words alone cannot convey those feelings. Second, you choose a memorial that will not fade, but will live on in the lives of children and families AGAPE serves.

### It's private and personal

Immediately upon receiving your gift, AGAPE will send a beautiful card in your name to the family of the deceased, or a letter to the person you choose to honor. The amount of your gift is confidential, and the same acknowledgment is sent regardless of the size of the gift.

### Living Honor

We all know someone special, someone we deeply admire, respect, and love. A Living Honor gift is a convenient and thoughtful way to remember a loved one on special occasions like birthdays, anniversaries, Mother's Day, or Father's Day. Or, an honor gift may simply recognize and appreciate someone you cannot imagine getting along without.
